The minis were donated to the centre and the young people created the idea of converting them. The project will engage young people and teach them a variety of new and useful skills. 50 young people will be involved in the project and will be creating a scrapbook journal as they progress.	50	2300	V	Revenue

N & W Young Carers	Film & Team Building - This project is for Young Carers to take part in a residential team-building trip in which they have an opportunity to socialise, relax and enjoy the company of other carers. The project consists of a weekend away in the country and a five-day film project. The weekend away will be a chance for the young people to learn life skills and socialise. The film they will create will demonstrate the issues that young carers are faced with to be shown to other young people and staff.	10-12	15170	V	Revenue
N & W Young Carers	trip is for eight young carers and two adults. They will take part in outdoor activities including: kayaking, raft building and sailing. They will also take part in craft activities such as: painting, clay modelling and collage. The trip will give the young carers a much-needed break and a chance to experience arts and activities and develop new skills.	8	1530	V	Revenue
Steeple Aston Youth Centre	This project is for a multi use games area. The area is designed for 13 - 19 year olds and is expected to be used well as there is nothing for this age group within the local area. The young people have carried out consultations amongst their peers to decipher what type of equipment will be used to greatest effect. They have also raised part of their funding by developing projects within the local community. The area will be a permanent fixture and will therefore benefit future young people and the local community, providing an area for them to socialise and play sports activities.	100-160	5000	M	Capital
Grimsbury Youth Club	This project is for more advanced equipment for use in the DJ room of this youth centre. The room was initially designed by young people and is very popular amongst local youth groups. All the equipment prior to this has been second hand, this will give them the opportunity to record songs to a higher quality. The young people picked the equipment and chose which styles to go with. 6 young people will help in installing the equipment and setting it up.	5-6	1366.95	M	Capital
BYC Studios	This project is to fund a youth worker to carry out further sessions in DJ-ing. Many young people have enjoyed these sessions and as the youth worker was not placed in these sessions permanently. The young people are achieving accreditation for their new skills and creating their own songs and lyrics.	100	4000	M	Revenue
Banbury Foyer	This project is to hold board games evenings at The Foyer in Banbury. They house homeless young people from the ages of 16 - 25 years old. This will provide them with an opportunity to relax and integrate with each other and their workers. This will provide them with social skills and behaviour skills that will help them with their everyday lives.	19	110	M	Revenue
Family Support Team	The project is for young people aged 11 - 17 years old to play sports every Wednesday evening. The project hopes to include young people in sport and tackle teenage health issues. They will be hiring an astro turf and also having a coach teach them more skills so that they can develop over time.	8	4680	M	Revenue

Charity Case	Charity Case are a group of young people aged 14 - 16 who have been setting up projects and donating the proceeds to charity. This will enable them to put on a 12 mile walk in Bicester and gain sponsorship to go towards the make a wish foundation. The project will be organised by young people and will be for the community to take part.	30	750	M	Revenue
Gig Committee	This project will be to soundproof a hall at The Courtyard so that the regular gigs that take place and band rehearsals are more suitable to take place in the hall. At present the hall is very loud and produces much echo which is not comfortable to local residents. Soundproofing will enable the gigs to sound much more coherent.	10	3420	M	Capital
Azad Hill Football Team	This football club residential trip to Ibiza will increase team bonding and fitness and health through training as well as providing travel experience for the first time for some.	15	6073		Revenue
East Banbury Youth Centre	Set up and run a regular monthly young women's youth club helping women to stay fit and build self-esteem and confidence.	20-30	800		Revenue
Begbroke Youth Group	Provide equipment for the recently set up Begbroke Youth Club which will give young people somewhere to go and with improved equipment will increase numbers	20	1160		Revenue
Bicester Sub Committee	This project provides skills workshops for young graffiti artists to practise their skills in a safe and legal environment. The young people can work towards events and exhibitions and art based accreditations	20-50	5000		Revenue
Thornbury House	This is a healthy eating exercise project teaching the young people to enjoy sport and keep fit as well as learning to express their feelings	7	2100		Revenue
Banbury Detached Team	Fishing Project - To pay for coaches to teach young people to fish and give young people who learned how to fish last year the chance to put those skills into action by helping teaching others	15-20	630		Revenue
Banbury Foyer	Drugs Project - Work on drug and alcohol issues as a group to create own resource to inform of the effects and dangers of drug and alcohol misuse followed by an activity day to celebrate achievements	6-10	350		Revenue
Grimbury Youth Club	Night at the Dogs - Providing a new experience and relaxation and travel to Oxford which many don't often do	12	256.8		Revenue
VOXinc	Taster sessions - Taster days will be offered so that young people especially those with learning difficulties or disabilities have the opportunity to try volunteering in a relaxed and non-committal environment	60	8481		Revenue
Oxfordshire Youth Mentoring	Stay at Avon Tyrell Activity Centre - offering the chance to do fun things with other young people in a safe place in the countryside. Many of the young people have never stayed away from home before or had a proper holiday	11	1530		Revenue
Young Carers Project	Scotland Activity Holiday - Programme of outdoor activities especially for young carers in beautiful and spectacular countryside. Other carers from other parts of the country will be there for carers to meet and get to know	8	1984		Revenue

1st Heyford Park Scout Group	Provision of equipment to provide a variety of activities for young people where there are little facilities	53	2040		Capital
			68731.75		
Countywide					
Oxfordshire Youth Mentoring	Visit to The Frontier Adventure Centre will allow young people to experience new things which will boost their confidence and self esteem in a safe environment	24	592		Revenue
Wood Farm Youth Centre	Anti-bullying conference - This is to be held at Kassam stadium in November and it will give young people from Oxfordshire a platform to share their own experiences of bullying. Through this, adults and young people in Oxfordshire will hopefully gain a more detailed understanding of bullying and how to combat it. A large number of young people from different backgrounds will be involved and it will help them to overcome many of the fears that bullying causes	150	10000	M	Revenue
OYAP Trust	Summer Arts Project 2007 - This will be a project held in August for young people in care to learn valuable skills in the Arts including dance, music theatre & visual arts. It will also act as a short holiday for them and give them the chance to meet other young people from a similar background. The event will culminate in a grand performance, the young people will be able to showcase their new found talent	65-70	14985	V	Revenue
OYP Newsletter	Parents R Us Group - Funding was needed to enable young people to write, edit and publish a newsletter for all young parents in Oxfordshire. It will be written by young parents for young parents and therefore it will help them to develop transferable skills and come into contact with others in the same situation. The newsletter will also act as a practical guide for young parents, containing advice and care tips.	120	1905	V	Revenue
DYF South	Team Building Training - Funding will allow the Divisional Young Peoples Forum group from the South of Oxfordshire to go on a residential to learn new skills & interact with each other. The forum has worked hard all year dealing with bids and consultancies and would relish the opportunity to celebrate their achievements. They will be in a safe environment and will be able to partake in outdoor activities that are not available to them in Oxfordshire	10-15	3300	M	Revenue
Leaving Care Team	Summer Activities Group - This will be a summer activity group for young people who are leaving care and who have left care. The activities include canoeing, a sea side trip and also a party. This will be an opportunity for those young people to keep fit and enjoy themselves & to meet other young people who have endured similarly difficult circumstances	50-60	2910	M	Revenue
ActiveTEN20	Midnight Ice Skating - This event will give 300 young people 10-19 from Oxfordshire the opportunity to take part in a huge ice skating event at Oxford Ice Rink in December. There was a similar event in London which some young people from Oxfordshire went along to although many had to miss out due to having insufficient funds to afford the travel. The event will be safe with security guards and first aiders on site. This will give young people a safe environment in which to enjoy themselves whilst also being active	250	2935	V	Revenue

ActiveTEN20	Oxfordshire Dodge-Off - Dodgeball coaching and competitions for teams of young people 13-19 from youth clubs and projects around Oxfordshire. There will be two area competitions in Didcot and Banbury, with a grand final being held in Oxford. Subsequently young people will become interested in the sport and activeTEN20 will look to set up local leagues in each district. Dodgeball is a popular sport because you don't need much space or money to buy equipment & it would give young people from every background the chance to get actively involved with the sport.	120		V	Revenue
					1183
Trax	Motor-vating Young People - Funding is needed for Trax to expand to a larger site. They will then be able to offer more attractive opportunities for young people and will be able to cope with large numbers of them. The site will be safer than the original site and out on the outskirts of Oxford. Trax will also provide training for young people which will help them become more employable within motorsport and engineering.	27		V	Capital
					14500
FYD Youth Group	Refurbishment of facility - The funding will help to refurbish the deaf centre & enable them to set up a group for deaf young people and their friends and siblings. The refurbishment will help the deaf young people using it to feel uplifted and comfortable in their environment, the lighting will make it easier to lip read as at the moment the centre is dark and depressing.	10		V	Capital
					7460
OYAP Trust	Reaching the Parts - This is a unique mobile music technology training course that can successfully engage the hardest to reach young people and the project is to offer this to young people at risk in Oxfordshire. The project has been shown to improve literacy, numeracy and team working skills developing self-confidence and positive behavioural changes	30-40			Capital
					9660
ActiveTEN20	Land Rover Defender - This is needed to transport equipment for various sports and activities to young people across the county to enable young people to experience different activities they may not have encountered before.	2400			Capital
					15500
