

## Oxfordshire Pharmacies offering **FREE** emergency Contraception to under-18s

This is the full list of Chemists (Pharmacists) in Oxfordshire able to dispense **FREE** Emergency Hormonal Contraception (EHC, "Morning after pill") to young women under 18.

Address information and some notes on opening hours and access are included. See NHS Choices for full opening hours.

There is also a list of your local C&SH clinics at the end of the list, with their opening times. They are able to dispense EHC.

Please note:

- You will need to have a short talk with the pharmacist so they know it is safe for you to take EHC
- Women aged 16+ can also **buy** EHC over the counter from a Chemist (Pharmacist) but it costs £24+
- You can also get EHC from your Doctor (GP) or the local Family Planning Clinic for prescription cost or free

Please be aware that while we make every effort to keep this list up-to-date and accurate, in some cases chemists may not be able to dispense. If they cannot dispense, they should suggest an alternative, such as your local C&SH clinic.

### Emergency Contraception

If you've had unprotected sex or had a mishap with your normal contraception, for example the condom split or you were sick after taking your contraceptive pill, emergency contraception, sometimes called 'morning after pills' can help to prevent an unwanted pregnancy.

They must be started within three days (72 hours) from the time you had unprotected sex. But they are **much more effective if taken within the first 24 hours**, so it's important to act quickly.

Oxfordshire Youth Information Service – [www.spired.com](http://www.spired.com)

**NOTES: This document is five pages long, please use page down to view the full list. This list was last updated on 6<sup>th</sup> May 2011.**

## Local C&SH clinics can also dispense **FREE** Emergency Contraception (EHC) to under-18s

Please note that you can go to any C&SH clinic, you do not need to go to the one nearest to you. These can be accessed as a drop-in service (there may be a wait) or you can make an appointment (always say you need EHC when making an appointment).
